Bowls Election 2024

The Club Board at its meeting on 16th April 2024 has reviewed the By Laws governing the operation of elections within the Bowls Section of our Club.

Below is the new By Law that will govern these elections from today and as such will change the method of how the current elections will be run:

23. ELECTION OF OFFICERS

- a. The ballot for the election of Officers, Committee and relevant Sub Committee members shall commence at least ten (10) days prior to the Annual General Meeting of the Bowls Section. Ballots can be picked up and returned to Club Reception. The Voting Member must submit their voting envelope to the Club Reception staff and have them strike you off the election roll as having voted. You may only return your vote within the hours of 1pm – 5pm and 7pm – 8pm each day except for the date of the Annual General Meeting of the Bowls Section when voting will only be available between 1pm – 4pm.*

This means that election forms may be collected from reception as is happening at the moment.

The return of completed voting forms in the envelope that has been supplied MUST therefore be completed within the following times and you MUST ensure that the reception staff mark you off the election roll. You cannot just drop the form at reception OR have someone else drop it off for you unless it is a person within your family or from the same street address.

Return of Voting Envelopes therefore are as follows:

Thursday 18th April 2024 to Monday 29th April 2024

1pm – 5pm and 7pm – 8pm

Tuesday 30th April 2024

1pm – 4pm ONLY

The Board thanks you for your understanding in managing with these required changes to the By Laws which will make it easier for all members to lodge a vote and to do it within a specified set of rules that allows this to happen.

Mark Dalmau
